

Broomwood Primary School

CHILDREN MISSING FROM EDUCATION - POLICY

Overview

This policy has been written to ensure that any pupil missing from school unexpectedly or due to repeated or unexplained absence, or by leaving the school unexpectedly, or who leaves school without clear indications of where they will be continuing their education, is quickly accounted for. Where a child is unaccountably missing this policy will ensure that that prompt and appropriate action is taken to locate the pupil and that prompt action is taken to notify the relevant authorities where necessary. This Policy will meet the requirements set out in 'Keeping Children Safe in Education'.

Objectives

1. To ensure that any pupil missing from school due to repeated or unexplained absence, or by leaving the school unexpectedly, or who leave school without clear indications of where they will be continuing their education, is quickly identified by the staff and drawn to the attention of the headteacher.
2. To ensure that prompt action is taken in the first instance to locate the pupil missing from education.
3. To act decisively and promptly where a missing pupil is 'vulnerable' and believed to be at risk.
4. To ensure that immediate action is taken to speedily put into place appropriate procedures which follow LA policy and DfE guidance, and to notify the LA and appropriate authorities of the missing pupil.

Strategies

1. Any concerns will immediately be raised with the headteacher who will take decisive action to initiate the LA and procedures for pupils missing from education and the school's policies for keeping children safe.
2. The school will carry out daily registration and absences will be dealt with in accordance with the school's Attendance Policy.
3. The school will hold at least one and where possible two emergency contact numbers to use where a child is unexpectedly missing from school.
4. Where a child is believed to be at risk or where a child has been identified as 'vulnerable' or where the family and child are already known to social services or other relevant outside agencies two emergency contact numbers will be held and these will be used promptly on the first notification of unexplained absence. If contact cannot be made the relevant agency will be notified at once.
5. Staff must be alert where there is a repeated pattern of absence or the reason for absence is unclear or unexplained and must promptly draw their concerns to the attention of the headteacher.
6. Decisive and prompt action will be taken especially where time is of the essence because the pupil missing is known to be a 'vulnerable' child.
7. Where a member of staff has concerns about the nature of a pupil's absence the school will promptly carry out its own initial checks in line with its attendance policy and its policies for keeping children safe.
8. The school will notify the local authority within five days of adding a pupil's name to the admission register at a non-standard transition point.
9. If a pupil leaves the school, the school will make contact with the receiving school to ensure the child is registered at the school and has started to attend.
10. If a pupil leaves this school without clear indication of a receiving school, the school will contact the LA to advise them of the situation and to start their tracking procedures
11. The school will notify the local authority when it is about to remove a pupil's name from the school admission register under any of the fifteen grounds listed in the regulations. Unless the pupil has completed the final year of education normally provided by the school – unless the local authority requests that such returns are to be made.
12. The school will make reasonable enquiries to establish the whereabouts of the child jointly with the local authority, before deleting the pupil's name from the register, if the deletion is for one of the following reasons:
 - i. A pupil has been granted leave of absence exceeding ten school days for the purpose of a holiday in accordance with regulation and has failed to attend schools within the ten school days immediately following the expiry period for the leave (and this is not for reasons of sickness or unavoidable absence).
 - ii. The pupil has been continuously absent from the school for a period of not less than twenty school days and the absence has not been authorised at any point during that time and is not due to sickness or unavoidable absence.
13. In case of serious concern the headteacher will contact the LA, in line with the Safeguarding Policy and Procedures, for further advice.

Outcomes

This policy will ensure that all children are kept safe and that no child will go missing from education. This policy should be read alongside the school's Attendance Policy and in particular with the school's Child Protection and Safeguarding Policy of which it is an integral part. This policy has regard to the DfE guidance: Children Missing From Education: Keeping Children Safe in Education: Statutory guidance for Schools and Colleges, and the LSCB's guidance: Keeping records of Child Protection and Welfare Concerns.
