Together we believe. Together we achieve

Welcome to Broomwood Primary School

Pre-School Class of 2023

Dear Parents and Carers,

First of all, thank you for choosing our school for your child as they begin their journey into Primary education. Some of you may already be very familiar with our school, maybe you have had older children here, but we wish to welcome you all just the same. The Pre-School year is a very important year in their development, as they begin to develop their language, start to build some independence, form friendships with others of a similar age and begin to explore the world around them. As a school, we pride ourselves on our broad and balanced curriculum, across the whole school, which has been specifically designed with our children and our community at the heart; a curriculum that provides the best opportunities for the creative, the sporty, the musical, the academic, those with SEND and everything else in between.

As we all prepare for the arrival of your little ones, in September, we would like to offer you a number of opportunities to experience life at Broomwood. We wish to invite you to our **welcome to Pre-School/Nursery evening**. This will be held on **Tuesday 11th July at 4:30pm**. This meeting will provide you with key information linked to the pre-school year and an opportunity to look around the pre-school environment. We hope you can join us.

We have a tab on our website in the parent section called 'new entrants', where you will find all the information that we are sending out. Below you will find our planned dates for the children's transition into reception. You can look forward to the following:

- **Tuesday 11th July 4:30pm**- New Parents Meeting held at Broomwood Primary School.
- **Home visit on Tuesday 5th or Wednesday 6th September**– Your child's new class teacher/teaching assistant will come and visit your child in their home environment to introduce themselves and develop an understanding of your children's interests and individual needs.
- **Play and Stay on Thursday 7th September** - You and your child will be invited to a play and stay session in September.
- **Induction session – Friday 8th or Monday 11th September** – Your child will be offered an induction session where they will come into school for their allocated hours (either morning/afternoon or the full day). Only half of the class will be in on each day to allow the children to settle into their new environment and routines.
- **Official start date - Tuesday 12th September** - All children in school for their allocated hours.

Home visit and play and stay session times will be sent to you via email. Please make sure our school office has the correct contact information, especially your email address.

We look forward to seeing you all soon and in the meantime, if you have any questions, please call the school or message us through the school website.

Regards

Miss Fowler (EYFS Lead)

Achieve, believe and succeed for a brighter future.
