Together we believe. Together we achieve

12/05/21

Dear Parents/Carers,

Our successful pre-school has been running now for eight years. This provision is brilliant for our school and we love that a number of our pupils can start when they are two. A number of our families are eligible for 15 free hours at this age. This will continue, but we will also be offering more paid places. We recognise that, due to working commitments, parents with children this age are looking for more extended care. Up to this point we have only offered either morning or afternoon places but from September we are considering offering beyond this to support working parents. Our costings will therefore be as follows:

Number of hours	Costing	Choice
Eligible for 15 free hours provision.	Nil	Morning or afternoon place. Morning- 8.30-11.30 or Afternoon- 12.30-3.30
Eligible for 15 free hours provision but you would like your child to have top up sessions to stay all day.	£20 a day	You would be offered a morning place and then you would pay for lunch cover and the afternoon session.
You are not eligible for free provision but you would like your child to have 15 hours of provision.	£15 a day	You could select a morning or afternoon session. This would not include lunch cover.
You are not eligible for any free provision but you would like your child to stay in for the full pre-school day.	£35 a day	This would be from 8.30-3.30 and include lunch cover
You are not eligible for any free provision. You would like your child to stay for the whole pre-school day but in addition you require provision before/after school or both.	£44 a day	This provision could be accessed from 7.45-5.30 and would include lunch cover.

We have already offered a number of our pre-school places to families. However we do still have places. If you are interested in adding to your current provision or you wish to find out more about the provision on offer from September, please contact the school office.

Many thanks

Mrs Owen
