Together we believe. Together we achieve

4th March 2025

Dear Parents and Carer,

I am delighted to introduce you all to Max, our new school therapy dog. We are looking to introduce Max into school over the next few months.

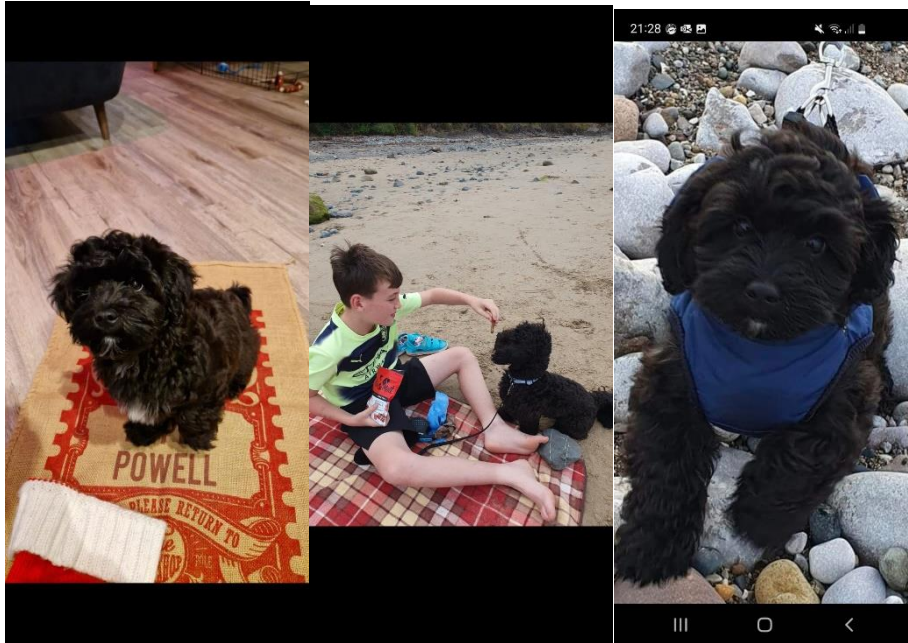

Research has shown that there are many benefits of having a therapy dog, including promoting the social and emotional development and improving the well-being of children.

The dog (Max) is a family pet and is owned by Mrs Powell. Max is currently under going regular dog therapy training sessions along with Mrs Powell and a dog trainer and is responding well to training.

Max is a Havapoo, Havapoo's are know to be hypoallergenic, low shedding in order to minimise the chance of allergic reactions. Havapoo's are also renowned for having a very gentle nature and being very well behaved.

Achieve, believe and succeed for a brighter future.

Max will be on a lead at all times and will always be accompanied by an adult. Children will never be left alone with the dog.

A full risk assessment has been completed so that we can safely manage the dog and the activities with the children in school.

If you have any queries regarding the dog or if you wish for your child to have no contact with Max, please contact us via the school office, 0161 912 5609.

Yours sincerely,

Mrs Powell.
