Together we believe. Together we achieve
Welcome to Broomwood Primary School
Nursery Class of 2022

Dear Parents and Carers,

First of all, thank you for choosing our school for your child as they begin their journey into Primary education. Some of you may already be very familiar with our school, either because you have had older children here, or because your child has been in Pre-school, but we wish to welcome you all just the same. The Nursery year is a very important year in their development, as they begin to develop their language, form friendships with others and begin to develop a sense of awe and wonder for the world around them. As a school, we pride ourselves on our broad and balanced curriculum which is specifically designed with our children and our community at the heart; a curriculum that provides the best opportunities for the creative, the sporty, the musical, the academic, those with SEND and everything else in between.

As we all prepare for the arrival of your little ones, in September, we would like to offer you a number of opportunities to experience life at Broomwood. Due to covid restrictions lifting we are looking forward to inviting parents and carers back into school for our **welcome to pre-school/nursery evening**. This will be held on **Thursday 14th July at 4:30pm**. This meeting will provide you with key information linked to the nursery year and an opportunity to look around the nursery classroom. We hope you can join us.

We have now created a new tab on our website 'New Entrants', in the parent section, where you will find all the information that we are sending out. This is where we will also put some activities for the children to engage with in preparation for September. You will find our planned dates for transition below:

- **Thursday 14th July 4:30pm**- New Parents Meeting held at Broomwood Primary School.
- **Introduction video and story** – This will come from your child's new teacher on the school website under the new entrants tab.
- **Monday 5th or Tuesday 6th September home visit** – Your child's new class teacher/teaching assistant will come and visit your child in their home environment to introduce themselves and develop an understanding of your children's interests and individual needs.
- **Play and Stay on Wednesday 7th September** - You and your child will be invited to a play and stay session in September.
- **Induction session** – Thursday 8th or Friday 9th September – Your child will be offered an induction session where they will come into school for their allocated hours (either morning/afternoon or the full day). Only half of the class will be in on each day to allow the children to settle into their new environment and routines.

Home visit and play and stay session times will be sent to you via email. Please make sure our school office has the correct contact information, especially your email address.

We look forward to seeing you all soon and in the meantime, if you have any questions, please call the school or message us through the school website.

Regards
Miss Fowler
EYFS lead

Achieve, believe and succeed for a brighter future.
