Together we believe. Together we achieve

27/05/22

Dear Parents/Carers,

I am writing to inform you that we have had a few incidents now where pupils in year 5 have used inappropriate language with sexual connotations in school. Whilst we recognise that the children may not always totally understand what they are saying, we would ask that you support us in ensuring that your child does not.

We believe that some language has come through what pupils are watching on YouTube or on films on Netflix such as 365. Please ensure that the right restrictions are in place for your child to safeguard them from anything that could be inappropriate.

Thank you for your support

Dr. Owen

Achieve, believe and succeed for a brighter future.
