Together we believe. Together we achieve

15/03/22

Dear Parents/Carers,

We are re-launching our attendance badges. We recognise that due to COVID, attendance in our school, as it has nationally, has been affected. Whilst COVID, and other bugs, are present, we want to push the importance of attendance in our school. A child's learning is negatively impacted when they are absent from school because key aspects of learning are missed and it is then hard for a child to catch up on a particular aspect of learning.

COVID has hugely impacted on how well your child is currently achieving. As a school, as again has been seen in the national picture, there are gaps in learning due to the disruption over the past two years. As a school, we are working extremely hard to close learning gaps and we have many interventions happening across the school to support individuals. This however is only effective when a child has excellent attendance.

We are therefore launching the bronze badge for the summer term, after the Easter break. Any child who has 100% attendance will receive their badge, which we would hope they would wear in school with pride. We will also be looking at those amazing individuals who have managed to attain 100% attendance across the year and they will be presented with a £10 gift voucher at the end of the academic year.

I look forward to seeing which children can achieve this!

Many thanks

Dr.Owen

Achieve, believe and succeed for a brighter future.
