Together we believe. Together we achieve

Dear Parents/Carers

Longdendale/ Crowden Environment Centre

As part of our Raging Rivers and Monstrous Mountains topic, on Tuesday 5th April (Year 5) and Thursday 7th April (Year 6) we will be taking part in a river study in the Peak District.

Previous visits to study the Longdendale Environmental Centre have proved to be very successful, providing the children with the opportunity to experience river features first hand. They will begin their journey with the dramatic back drop of the Peak District National Park, discovering the upland river. Through geographical and scientific enquiry, they will plan and carry out simple fieldwork experiments. Paddling in the brook and engaging in a real-life experience, they will have a multi-sensory experience that they won't forget. As field work is a significant aspect of the geography curriculum, we have subsidised the cost of the trip and are therefore asking for a contribution of £10.00 from each child, to be paid on Parent Pay by Monday 28th March.

On the day of the trip, the children will need to wear their school uniform with a waterproof coat. In addition, they will be required to wear suitable footwear for walking. Children who have a school dinner will be provided with a packed lunch from school. If your child is on packed lunches please ensure that they bring it in a throw away bag. Please ensure that your child's lunch has their names on clearly..

The coach will be leaving at 9.00 so children must be in school promptly and will be returning to school at 15:30, traffic depending.

If you have volunteered your help for the day of your child's trip, we will be in touch with you shortly to confirm if your help will be needed, Due to limited space on the coach, we can only take a specified number of volunteers.

If you have any questions please do not hesitate to ask your child's class teacher.

Many thanks,

Mrs Cannon

Achieve, believe and succeed for a brighter future.
