Together we believe. Together we achieve

20/06/23

Dear Parents/Carers,

I recently informed you that we will be having an extra year 6 class from September. As a result of this, I explained that we would be mixing some of the children to create a new class. In creating the new classes, we have carefully considered what the children have requested in terms of their friendship groups. Whilst the children will not have everyone that they have indicated on the list, we have tried to ensure that they have at least two names.

Whilst these will be the new classes, please remember that the whole year group will do many things together and will continue to have playtime and lunchtime together so there is plenty of opportunity for children to mix across the year group. Within year 6, there are many different intervention groups, so children will be mixed with others during Maths and English so will get the chance to see other friends. This year is different as we are preparing the children more for high school and the transition of working with different children and different members of staff.
