Together we believe. Together we achieve

May 2023

Dear Parent/Carer,

As you may be aware your child will soon be taking the statutory Multiplication Tables Check (MTC) for all Year 4 children nationally. Within school your child has been carrying out regular practice with their teachers and many have been working hard with Times Tables Rockstars (TTRS) at home.

The MTC is accessed online and all the children have been practicing completing the check on a laptop, touch screen or iPad. During the test they are given 25 random multiplication questions with 6 seconds to answer each.

To give your child the best support, we will be having a practice week during week beginning the 22.05.23 before the real MTC during week beginning 12.06.23. Please ensure that children are in class throughout these weeks as could be taking the check on any of the days. To take the check some children will work 1:1 with an adult and some will work in a larger group. Again, this is in-line with how they have practice within class.

To support your child at home it is important that they are practicing their times tables on a daily basis and Times Tables Rockstars is a great way you can do this. If they spend 10 minutes a day specifically using the Soundcheck feature they will see a marked improvement in their accuracy and confidence.

If you have any questions, queries or worries about this please contact the school and I will get back to you.

Thank you for your support with this,

Mr Bridge

Achieve, believe and succeed for a brighter future.
