Together we believe. Together we achieve

17/05/23

Dear Parents/Carers,

We are currently having an extra intervention space built near the area where children enter school in a morning. This will be a great new space that we will be able to use after the whit holiday.

To enable the building work to proceed, we need to have a crane on site on **Friday 19th May**. Therefore children will **NOT** be able to enter school in the usual way on this day. The road is going to be even more congested than usual due to the crane and other large vehicles, so please try and park further away from the school to prevent any accidents.

School will be open for all children **from 8.30** and they will just come into school as soon as they arrive- just like they would if it was raining.

Children in Year **Pre-school, 3, 4, 5** and **6** will come through the main school reception. A member of staff will be there to get them into school safely. Pre-school pupils should also be picked up from the reception area at 11.30.

Children in **morning nursery, reception, year 1** and **2** will come through the staff carpark and through the KS1 playground to access the school. Staff will guide you.

Children will not be able to enter before 8.30 unless they are attending breakfast club. They will not be able to access the school premise so please do not arrive earlier than this.

As the crane should be finished by the end of the school day, you will be able to pick your children up in the usual way. We will inform you on the day if there are any changes.

Many thanks

Dr. Louise Owen

Achieve, believe and succeed for a brighter future.
