*Together we believe. Together we achieve*

17/04/23

Dear Parents/Carers,

It has been lovely to welcome the children back today. I hope that you have all had a restful break. I am writing to inform you of some key updates within the school.

## Friday 5<sup>th</sup> May

We will be celebrating the King's Coronation within school. From 2.00 we will be having a picnic outdoors which parents will be invited to. We will have some music and some children will be performing. We will be sending out a further letter with more detailed information this week.

## Tuesday 9<sup>th</sup>- Friday 12<sup>th</sup> May

This is the week where pupils from year 6 will sit their statutory assessment tests in reading, maths and SPAG. The children will have tests each day. It is crucial that children are in this week otherwise they cannot be given a SATs grade. The information from the test is passed onto your child's high school and is a way of celebrating some of their achievements at primary school. I hope that the attendance of all year 6 pupils is excellent over the next three weeks as the children will be doing revision which will support them in sitting these tests.

## Intervention space

As you can see we currently have some building work on the school grounds. We are having an intervention space built that will accommodate 15 pupils. Work will be carried out over this half term and we will be able to use this new building from June. On Tuesday 16<sup>th</sup> May, there will be a crane on the school grounds so we will have to change how the children come into school and exit on this day. More information will be provided nearer the time.

## Strike days

You may be aware that the NEU have called 2 further strike days for teachers who are part of this union. These dates are 27<sup>th</sup> April and the 2<sup>nd</sup> May. At present, I do not know how your child's class will be affected but I will send out further correspondence when this has been clarified.

## Clubs

Clubs for the summer term will start the week beginning the 15<sup>th</sup> May. More information will be provided in the next few weeks about signing up.

Many thanks  
Dr. Owen

*Achieve believe and succeed for a brighter future.*
