Together we believe. Together we achieve

22.02.23

Dear Parents and Carers,

Overtime, we have become increasingly concerned about the number of children in our school accessing social media sites on a regular basis. Whilst we can't stop this, it is within our duty of care to support our children and families to ensure that any online usage is as safe as it can be. With this in mind, we will be doing a number of assemblies over this term to help the children know how to keep safe online and how to behave appropriately.

As parents, we are not always familiar with how these sites work and what we can do to protect our children. There have been some recent concerns about strangers being able to access Snapchat accounts and so I have attached a parent information sheet to support with this. It gives an overview of what you can do on the site, why it is popular and what to be aware of, including how you can make it more secure. Even if you have younger children, it is still worth having a read.

If there are any other sites that you would like similar information for, please let us know and we can send it out.

Many thanks

Allison McCarthy
Deputy Head Teacher

Achieve, believe and succeed for a brighter future.
